RESPONSE TO NON-COMPLIANT AMENDMENT

MS AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants contend the Notice of Non-Compliance that issued on October 18, 2006 was issued in error. It is stated in the Notice of Non-Compliance that the strikethrough used to show the deletion of the letter "s" on certain claim features is not easily perceivable. Clearly, the fact that the Notice of Non-Compliance was issued specifically identifying the deletion of the letter "s" by strikethrough as allegedly non-compliant expressly confirms that all of Applicants claim amendments filed in the Response of August 4, 2006, are easily and readily perceivable in compliance with the proper format under 37 CFR 1.121. Nevertheless, to expedite prosecution of the instant application Applicants have revised the amendments of August 4, 2006, to use the double bracket format in place of the strikethrough format to reflect the deletion of the letter "s" in certain claims.

Amendments to the Claims begin on page 2 of this paper.

Remarks/Arguments begin on page 7 of this paper.
